

How is your seed growing?

LOTTERY FUNDED

Our School: _____

We planted _____ seeds on _____.

Pupils Name	First Saw Growth	1st Measure	True Leaves	2nd Measure	3rd Measure	Ready to plant

First Saw Growth - When did you first see your plant was growing?
Measures - Check on your plant as a class every week or two as it grows. Measure how tall it is getting and write it on the chart.
True Leaves - When did you first notice true leaves growing? (Not the first two leaves)
Ready to plant - When your plant is roughly 15cm tall it is ready to take home & transplant!
